

# TASTING AUSTRALIA

ADELAIDE / 1-8 MAY 2016

As a keen supporter of the Maggie Beer Foundation, we wanted you to be among the first to receive an invite to join Maggie at her upcoming event with **Tasting Australia** at the Adelaide Town Square on Wednesday May 4th 2016, for the 'Food in Aged Care' Think Session.

Maggie and the Foundation team couldn't be more excited to be part of this year's **Tasting Australia**, with the chance to shine the spotlight on the importance of 'creating an appetite for life'. Driven by Maggie's passion to change the food experience for older Australians, this event will bring families together to answer everyone's questions on how to improve nutritional standards, reignite the enjoyment of eating with independence and choice, and return fresh, local and seasonal produce to aged care tables.
